

Additional benefits with your health insurance

Here at CZ, we do more than just reimburse your healthcare costs. When you're insured with us, you always have access to useful apps, tips and tools to help you manage your insurance with ease or check your health. And if you need healthcare, we are of course ready to help.

Must-have apps

Be sure to download our useful apps now, so you have them ready whenever you need them.

'App de verpleegkundige'

If you have a fever and are unsure about whether or not to see a doctor, you can discuss your health concerns with a nurse at no cost, even in the evening and at the weekend. www.cz.nl/appdeverpleegkundige (in Dutch)

SkinVision

If you have a suspicious mole or spot on your skin, find out whether or not you need to worry. Get clarity in just 30 seconds. www.cz.nl/skinvision (in Dutch)

'CZ Declareren' app

Submit your bills at the speed of lightning using our app. You can also check your policy, healthcare usage and messages any time you like. www.cz.nl/CZ-app (in Dutch)

That's not all...

Your health insurance gives you more than 20 free additional benefits, for you, but also for when you are caring for someone else. They range from online services to personal advice. To find out more, check our list.

Discounts on all sorts of products and services

As a CZ customer, you qualify for discounts on a wide range of products and services, from gym membership and new glasses, to health products. Find out more at www.cz.nl/klantvoordeel (in Dutch). If you don't want to miss out on special deals and offers, sign up for our newsletter at www.cz.nl/nieuwsbrief (in Dutch).

Always the right healthcare for you

We help you find the healthcare that is right for you and support you with personal advice and useful tips.

Finding healthcare near you

Wondering which healthcare providers we have agreements with? There's always one near you.

Long waiting list?

A long wait to start receiving treatment can be a very anxious time, so we are happy to look into whether you can get treatment sooner elsewhere.

Your doctor's appointment

Come to your appointment well prepared with a 'cheat sheet' with questions. Not only does this help your doctor, it also allows you to have more input into the healthcare you receive.

Personal advice

We understand that you might prefer personal advice. If that's the case, call or email the CZ Healthcare Team ('Zorgteam'). Our healthcare advisers are here to help you arrange and find the best healthcare.

Second opinion

If you have doubts about your diagnosis or treatment, we can help you get a second opinion from a doctor in the Netherlands, or even with a leading international specialist.
